Design Thinking: Ideas to Action

Design Thinking: Discovery Tools

Experiencing Design: Deepening Your Design Thinking Practice

Nov 22, 2024

Diksha Mittal

has successfully completed the online, non-credit Specialization

Design Thinking

You have mastered the core competencies of design thinking, and deepened your practice so that you can solve human-centered problems well. Your completion of key milestones along the design thinking process demonstrates your ability to generate and test ideas, turn them into action, and connect with customers on a human level. You are now ready to make valuable design contributions to your organization.

Jeanne M. Liedtka
United Technologies
Corporation Professor
of Business
Administration

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
